OUR INVITATION TO YOU

Dear Colleagues and Industry Leaders,

Building upon the success of our inaugural event in October 2024, we are delighted to announce the **2nd Venous Symposium Europe**, scheduled for **October 30th - November 1st, 2025**, in **Athens, Greece**.

With the second symposium we continue our mission bringing the excellence of the **Venous Symposium New York to Europe**, focusing on advancing the field of venous and lymphatic diseases through practical and interactive sessions led by world-renowned experts.

The inaugural symposium was a testament to the collaborative spirit and dedication of our sponsors, faculty, and participants. Your support was instrumental in creating a platform that fostered meaningful discussions, innovative ideas, and significant advancements in patient care.

As we prepare for the upcoming symposium, we are excited to offer enhanced opportunities for sponsorship and collaboration.

Your partnership will not only provide visibility and engagement with a targeted audience of healthcare professionals but also contribute to the ongoing education and development within our specialty.

We invite you to join us in this endeavor, to share your expertise, showcase your latest innovations, and engage with a community committed to excellence in venous and lymphatic health.

Together, we can make the 2nd Venous Symposium Europe an even greater success, driving forward the standards of care and patient outcomes across Europe and beyond.

For detailed information on sponsorship opportunities and to discuss how we can tailor a partnership that aligns with your goals, please contact our organizing team directly.

We look forward to the possibility of collaborating with you and welcoming you to **Athens in October 2025**.

Warm regards,

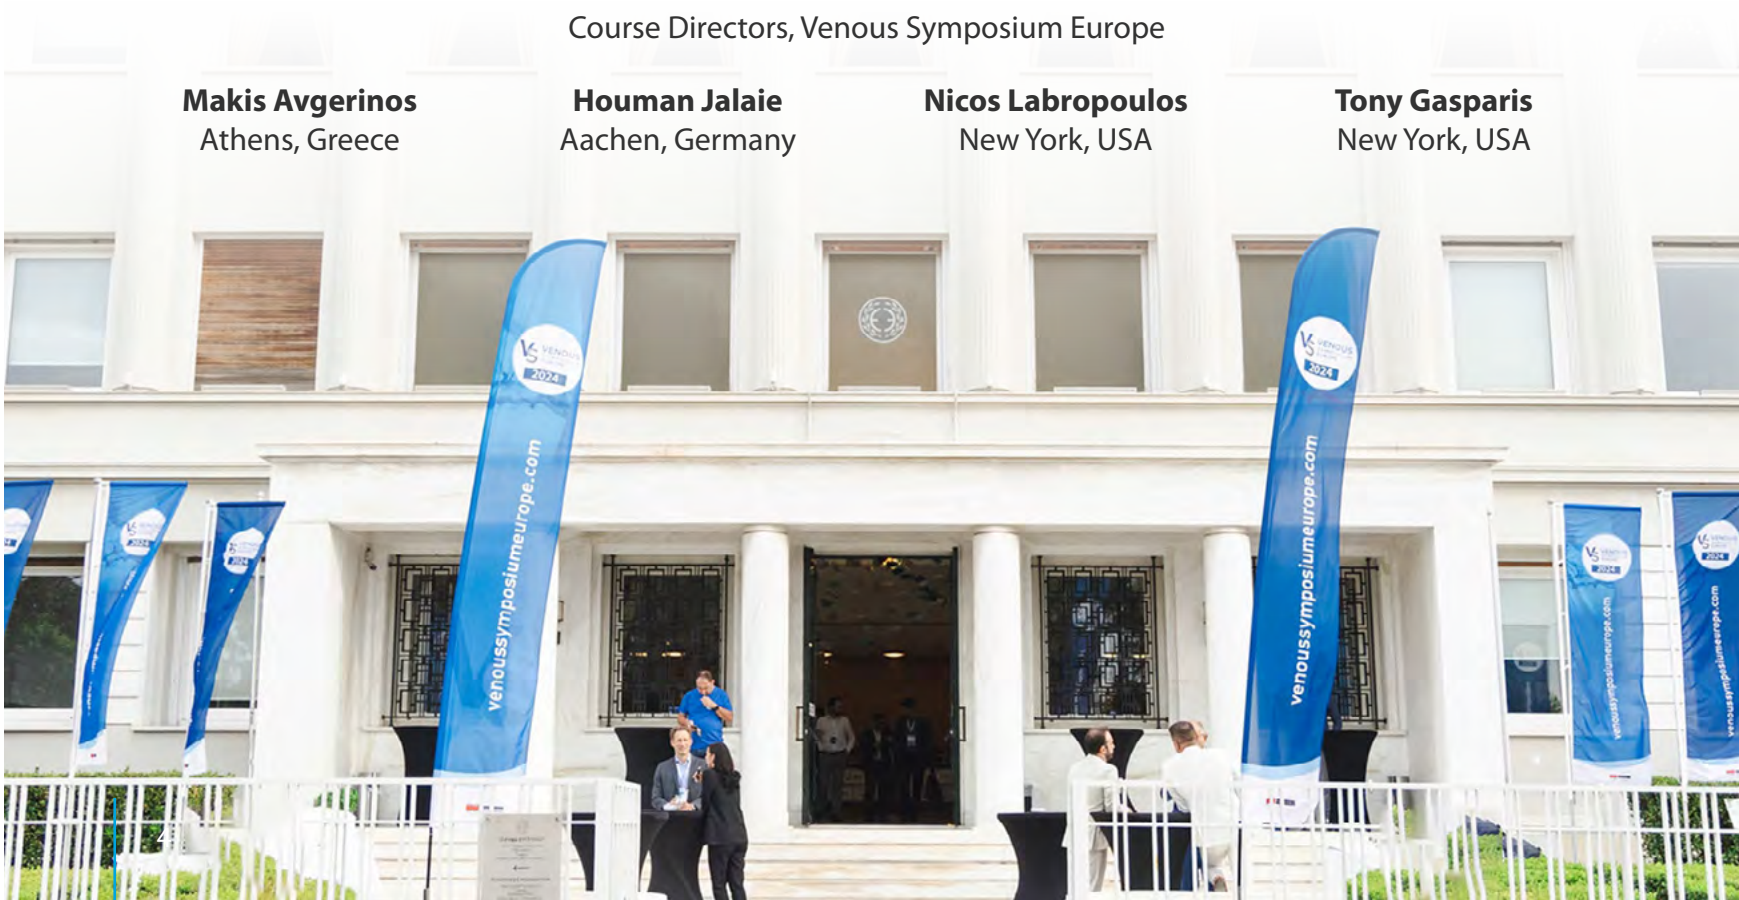

Course Directors, Venous Symposium Europe

ABOUT VENOUS SYMPOSIUM EUROPE

Venous Symposium Europe (VS Europe) has firmly established itself as a premier European conference dedicated to advancing the understanding and treatment of venous and lymphatic diseases. The symposium offers practical education, cutting-edge updates, providing a unique platform for the medical community to share expertise and innovations.

The **2nd VS Europe**, will feature an enhanced program that includes:

- **Live Patient Imaging and Decision-Making Sessions:** Real-time case evaluations to enhance diagnostic and treatment skills.
- **Hands-On Workshops:** Interactive sessions on venous thrombectomy, intravascular ultrasound, and novel ablation and sclerotherapy techniques, allowing participants to engage directly with the latest technologies and procedures.
- **Expert-Led Discussions:** In-depth analyses of topics such as superficial and deep venous diseases, lymphedema, lipedema, and venous thromboembolism management, led by world-renowned specialists.
- **Industry Symposia:** Opportunities to explore new products, technologies, and research findings that are shaping the future of venous and lymphatic medicine.
- **Sponsored Lectures:** These highly popular lectures are incorporated in the main scientific program sessions and can provide an exclusive opportunity for sponsors to present innovations, engage with experts, and showcase new advancements in venous and lymphatic care.

ABOUT VENOUS SYMPOSIUM EUROPE

What's New for Sponsors in VS Symposium Europe 2025?

The 2nd **2025 Venous Symposium Europe** introduces several exciting updates and enhancements for sponsors, reflecting our commitment to providing even greater opportunities for engagement and visibility:

1. Enhanced Sponsorship Tiers: The addition of the **exclusive Diamond Partner level** offers unparalleled premium benefits, including increased visibility across all promotional materials, additional full congress registrations, and priority access to sponsorship activities.

2. Additionally, all sponsorship tiers have been enhanced, with increased **complimentary registrations**, allowing sponsors to bring more representatives to the event for networking and knowledge-sharing.

3. Live Demonstration Sessions: Sponsors can now participate in patient case-based live demonstrations, showcasing real-world applications of their products and their transformative impact on patient care.

4. Silent Meet the Experts Sessions: Following the success of last year's Meet the Experts sessions, these will return with an exciting new format. The "silent" interactive sessions will be held during coffee breaks in the exhibition hall, where attendees can engage directly with sponsors in focused and intimate

discussions using headphones. This ensures clear communication, minimal disruption, and a unique opportunity for in-depth exploration of cutting-edge products, research, and clinical protocols.

5. Expanded Workshop Opportunities: Sponsors can now select from additional workshop formats, including longer 90-minute sessions or collaborative shared workshops, to maximize hands-on learning and interaction.

6. Dedicated Newsletters: Sponsors can utilize dedicated e-blasts before, during, and after the symposium, providing a direct channel to communicate with a highly targeted audience of pre-registered delegates.

7. Increased Advertising Options: Expanded opportunities for branding include premium placements on digital platforms, updated mobile applications, and the addition of more interactive exhibition spaces.

These new offerings are designed to enhance sponsor participation, foster innovation, and deepen connections with the venous and lymphatic health community. Join us in making VS Europe 2025 a landmark event for advancing patient care and professional collaboration!

SPONSORSHIP OPPORTUNITIES

MOBILE APP

The App transforms smartphones, tablets, and laptops into tools for active participation and makes it easy for participants to access congress information. The App includes the scientific programme, abstracts, speakers index, general information, sponsors and more. The App can be downloaded from the Apple App Store and Google Play.

The Mobile App Sponsor includes:

- Sponsor's acknowledgement on the splash/ pop-up screen of the App: "Supported by: company name/logo" (product logo not permitted).
- Newsletter Communication with App Information during the preparation of the meeting.
- Support will be acknowledged in the General Information section of the programme, on the event website and the application.

WI-FI LANDING PAGE

Wireless Network Provision: Delegates wishing to access the internet via their own laptop/ smartphone may do so by using the Congress' Wi-Fi. Supporter will receive strong visibility during the congress.

- A banner and signage will bear the supporter logo and company name during the event.
- Support will be acknowledged in the General Information section of the programme, on the event website and mobile application.

DEDICATED NEWSLETTER - EXCLUSIVE

EBLASTS BEFORE AND DURING THE PREPARATION OF THE MEETING & AFTER THE CONCLUSION

Gain additional exposure for your industry session or exhibition booth by sending out a Mail Blast to the pre-registered delegates who have agreed to receive promotional material, at a date and time coordinated with the Congress Organiser.

Mail blast will be exclusive for the supporting company. The designed mail blast (html format with Conferre SA design requirements) and the preferred "Subject" to be provided by the Supporter and subject to receipt the latest by 4 weeks prior to the Congress. "From" field will be Congress Acronym + Year.

* In the case where the supporter cannot provide a compliant HTML file, they may provide one pdf/ image, that will be embedded into the congress designed mailshot.

Industry Support Disclosure – will be added to all mailshots.

This event is supported, in part, by funding from industry. All support is managed in strict accordance with CME/CPD accreditation criteria and standards for commercial support. Industry Sessions are organised by industry and not included in the main event CME/CPD credit offering.

SPONSORSHIP OPPORTUNITIES

WELCOME RECEPTION

Supporter will have the opportunity to promote itself through a networking reception on the first evening to which all registered attendees are invited. Hospitality and any activities provided will be in compliance with all relevant industry codes.

- Supporter's logo on sign at the entrance to the Welcome Reception.
- Opportunity to provide items bearing company logo for use at the event.
- Support will be acknowledged in the Social Events section on the event website, mobile application, and with signage during the event.

COFFEE BREAKS

Coffee will be served during breaks in the exhibition area. Hospitality provided will be in compliance with all relevant industry codes.

- Opportunity to have a one-day display of company's logo at the catering point located within the exhibit area.
- Company's logo on coffee caps along with congress logo for use during the supported break.
- Support will be acknowledged in the Social Events section on the event website, mobile application, and with signage during the event.

ATTENDEE BADGE LANYARD

Opportunity to place company logo on the lanyards. The Organising Committee will select the type and design of the lanyards.

The support entitlements are as follows:

- Supporter's logo to be printed on the lanyards.

*Not for members of SFEE

E-POSTERS AREA

Sponsors will have the opportunity to promote their company.

- Signage at the entrance to the e-Poster area with "Supported by..." and a company logo only.
- Signage "Supported by..." and a company logo only on each individual e-poster station.
- Support will be acknowledged in the General Information section of the programme guide, on the event website and mobile application.

FINAL PROGRAMME ADVERTISEMENT INSIDE PAGE / INSIDE BACK PAGE

Full page colour advertisement (inside page/ inside back page) in designated section of the Final Programme.

- The Final Programme will contain the timetable, information about the scientific programme and other useful information.
- The advertisement will be included in the designated section of the programme, according to compliance regulations.

SPONSORSHIP OPPORTUNITIES

PROMOTIONAL MATERIAL / FLYER ON DISPLAY

Promotional material (up to 4-page insert, A5 flyer) will be included in the bags.

- Material should be provided by the Sponsor and approved by the Secretariat.
- Sponsors' product information will be available for all participants.
- The distribution arrangement will be advised.

MINI POCKET PROGRAMME

- Printed program at a glance to be included in the delegates' case badge.
- Support will be acknowledged as: "Supported by..." and a company logo only
- Support will be acknowledged at Newsletter Communication During the preparation of the meeting, on the event website, and mobile application.

EXHIBIT BOOTH

- Privileged exhibition space of min 6 - max 12m² (exhibition space outside the main lecture hall).
- Priority will be provided to Diamond, Platinum and Gold Partners.
- Shell scheme panels as well as furniture are not provided and exhibitors are required to make arrangements for their own back walls for their booth and its decoration. An exhibition form and manual with instructions (side walls will not be allowed) will be provided along with the floorplan by the end of March.

PLENARY INDUSTRY SESSIONS

- Opportunity to organise an official non-CME Industry Session (Programme subject to the approval by the Congress Committee).
- Includes hall rental, standard audio/visual equipment and display table.
- Permission to use the phrase "Official Symposium of ... Congress".
- Industry Sessions Programmes will be included in a designated industry section.
- Industry Sessions will be clearly indicated in the meeting timetable/Programme as: "Industry Session" not included in the main event CME/CPD credit offering".
- Support will be acknowledged in the Sessions' section, on the event website, and mobile application.

The supporting company, in addition to the support fee, must cover all speakers' expenses including registration, accommodation and travel expenses. This also applies in case the Industry Session speakers have already been invited by the event organisers.

SPONSORSHIP OPPORTUNITIES

LIVE DEMONSTRATION: PATIENT STORY

An unrestricted educational grant supporting a dedicated scientific session will showcase a real-life patient case. This presentation highlights the successful treatment and recovery of a patient using the company's advanced equipment, emphasizing both its clinical efficacy and transformative impact on patient outcomes.

WORKSHOP SESSION (parallel)

- Opportunity to organise an official Workshop Session (Programme subject to the approval of the Congress Scientific Committee).
- Includes: hall rental, standard audio/visual equipment, display table.
- Permission to use the phrase: "Official Workshop of the ... Congress".
- Workshop Programmes will be included in a designated industry section of the Final Programme (subject to receipt by publishing deadline).
- Supporters will be acknowledged in a designated section of the Programme.
- Time Slots: allocated on a "first come, first served" basis.
- Support will be acknowledged in the Industry Sessions' section, on the event website, and mobile application.

The supporting company, in addition to the support fee, must cover all speakers' expenses including registration, accommodation and travel expenses. This also applies in case the Industry Sessions speakers have already been invited by the event organisers.

SHARED WORKSHOP SESSION (parallel)

- Opportunity to participate (up to 4 sponsors) in an already existed Workshop Session coordinated by the Congress Scientific Committee.
- Includes 1-2 tables for each company participating for demonstration
- Workshop Program will be included in a designated industry section of the Final Programme (subject to receipt by publishing deadline).
- Supporters will be acknowledged in a designated section of the Programme.
- Date and time will be defined by the Congress Scientific Committee
- Support will be acknowledged in the Industry Sessions' section, on the event website, and mobile application.

SPONSORSHIP OPPORTUNITIES

SPONSORED LECTURES

Delivered by a key opinion leader, implemented to an already existing plenary session in the scientific program, similar to the area of the company's interest.

- Lectures will be included in a designated industry section of the Final Programme, event website and mobile application (subject to receipt by publishing deadline).
- Support will be acknowledged in the Industry Sessions' section, on the event website, and mobile application.

The supporting company, in addition to the support fee, must cover all speakers' expenses including registration, accommodation and travel expenses. This also applies in case the Sponsored Lectures speakers have already been invited by the event organisers.

SILENT MEET THE EXPERTS

20 min session to meet with attendees and key decision makers to share your new research outcomes, discuss your clinical protocols, and conduct product demonstrations of your new products and services. The Meet the Experts sessions will take place during the coffee breaks in a designated area within the exhibition hall. To ensure an engaging and focused experience, attendees will use headphones, allowing for clear communication and minimal disruption.

Meet the Experts session provide a high value educational opportunity for hosts to reach engaged healthcare professionals. These sessions deliver a platform to gather and discuss issues on patient education, specific products and therapeutic areas.

Located in the Exhibition Hall, this session provides an opportunity to:

- Highlight and demonstrate new and existing products.
- Provide up-to-date research findings.
- Give product details in-depth.
- Demonstrate products.
- Support will be acknowledged in the Industry Support and Exhibition section, on the event website, mobile application and with signage during the event.

VAT INFORMATION

Invoices are subject to VAT at the local rate of 24% if applicable.
