- **Length:** Should not exceed **300 words**. When a **table** is included, then the text body should not exceed **250 words**.
- **Tables/diagrams/images:** Save them as an image file (.jpg, .png) or as a document presentation file (.pdf, .docx, .pptx) and upload them in the field "**File/Image**", otherwise will not be received successfully. Use of **Tables/diagrams** will automatically reduce the number of words allowed (it should correspond to 50 words and must be included in the limitation of 250 words). A maximum of two (2) images can be included per abstract/case. The image(s) will be placed at the bottom of the text in all publications and may be resized to fit in the format of the final printed material.
- **Structure:** Abstracts / Cases must use the following structured format:
 - Background-Aim
 - Methods
 - Results
 - ConclusionsIn the final version, the text will not be sorted into paragraphs.
- **Topics:** Please choose:
 1. Anticoagulation
 2. Compression Diagnostic
 3. Epidemiology
 4. Imaging
 5. IVC Filters
 6. Lymphedema
 7. Superficial Vein Disease
 8. Venous Education
 9. Venous Obstruction
 10. Venous Thromboembolism
 11. Wound Care
- **Title:** The abstract title should be submitted strictly in capital letters and not exceed a limit of 25 words. Please do not use abbreviations.

- **Affiliations:** In this field you should provide the affiliation details of all authors: Department / Hospital / University / Institution etc (eg. Vascular Surgery Department, Faculty of Medicine, School of Health Sciences, New York University, New York, USA). If an author needs to be registered to more than one affiliation, you are kindly requested to use the & symbol between the two affiliations (eg. Vascular Surgery Department, Faculty of Medicine, New York University, New York, USA).

Submission

- Authors are requested to check their abstracts thoroughly before submission. The abstract, if approved for presentation, will be published as submitted. However, authors may edit the details of their submission until the deadline, strictly, through the link that will be provided by email*.
- Authors should not submit multiple copies of the same abstract.
- Authors must strictly adhere to the above guidelines, otherwise abstracts/cases cannot be considered for presentation and the Abstract Review Committee may reject. Such abstracts will be rejected, and the author will not be informed.
- The corresponding (submitting) author is required to ensure that all co-authors are aware of the content of the abstract before submission (submission implies that the corresponding author has received approval from co-authors)
- Submission of an abstract acknowledges authors' acceptance for the abstract to be published in all official congress publications/material.
- Abstracts must be original. Abstracts already presented and published, will not be accepted.

Confirmation

After online submission you will receive (by e-mail) a "Submission Number" indicating that your abstract has successfully been submitted. This number must be referred to in all correspondence. Please print or save this receipt on your computer, as it will serve as confirmation of successful abstract/case submission.
