WELCOME ADDRESS

We are delighted to invite you to join us at the **Venous Symposium Europe 2024** in **Athens, on October 17-19, 2024**.

Since 2010, Venous Symposium has successfully inspired, educated, and collaborated with the world's leading experts in a quest to help address issues concerning **superficial and deep venous diseases**.

We are particularly pleased to announce that the symposium to be held in Athens will be the first inaugurating a series of Venous Symposia in Europe based on the successful series of the well-known New York Venous symposium.

Athens, the birthplace of Philosophy, Science, Democracy, and European Culture and Civilization is the ideal location to discuss and share knowledge.

Whatever your area of expertise in venous diseases, this international and interactive meeting bringing together venous world experts, will provide you with a learning and networking opportunity where you can exchange ideas, improve access to the latest technological developments, and deliver better care by offering practical education and providing updates in clinical practice and new technologies.

Venous Symposium Europe will also host an exhibition, where traditionally all major international firms involved in the venous diseases industry, may participate.

Join us for a groundbreaking Venous Symposium meeting in Athens and enjoy the experience of a city with a unique blend of history, art, culture, lifestyle, and entertainment.

ABOUT VENOUS SYMPOSIUM

Venous Symposium (VS) is the premier International Conference on issues and Treatment related to Vein Pathology.

This symposium delivers practical education and updates on the current knowledge and management of Venous Disease.

As of 2024, the Symposium will host a new meeting, the "VS Europe", aiming at restructuring and streamlining its activities throughout Europe.

VS Europe - Venous symposium Europe will represent an exceptional opportunity for the medical community to share and debate opinions and to develop a European identity in the scientific, therapeutic, and ethical domains focusing on superficial and deep venous diseases.

What to expect from participating as a sponsor in VS Europe Symposium 2024?

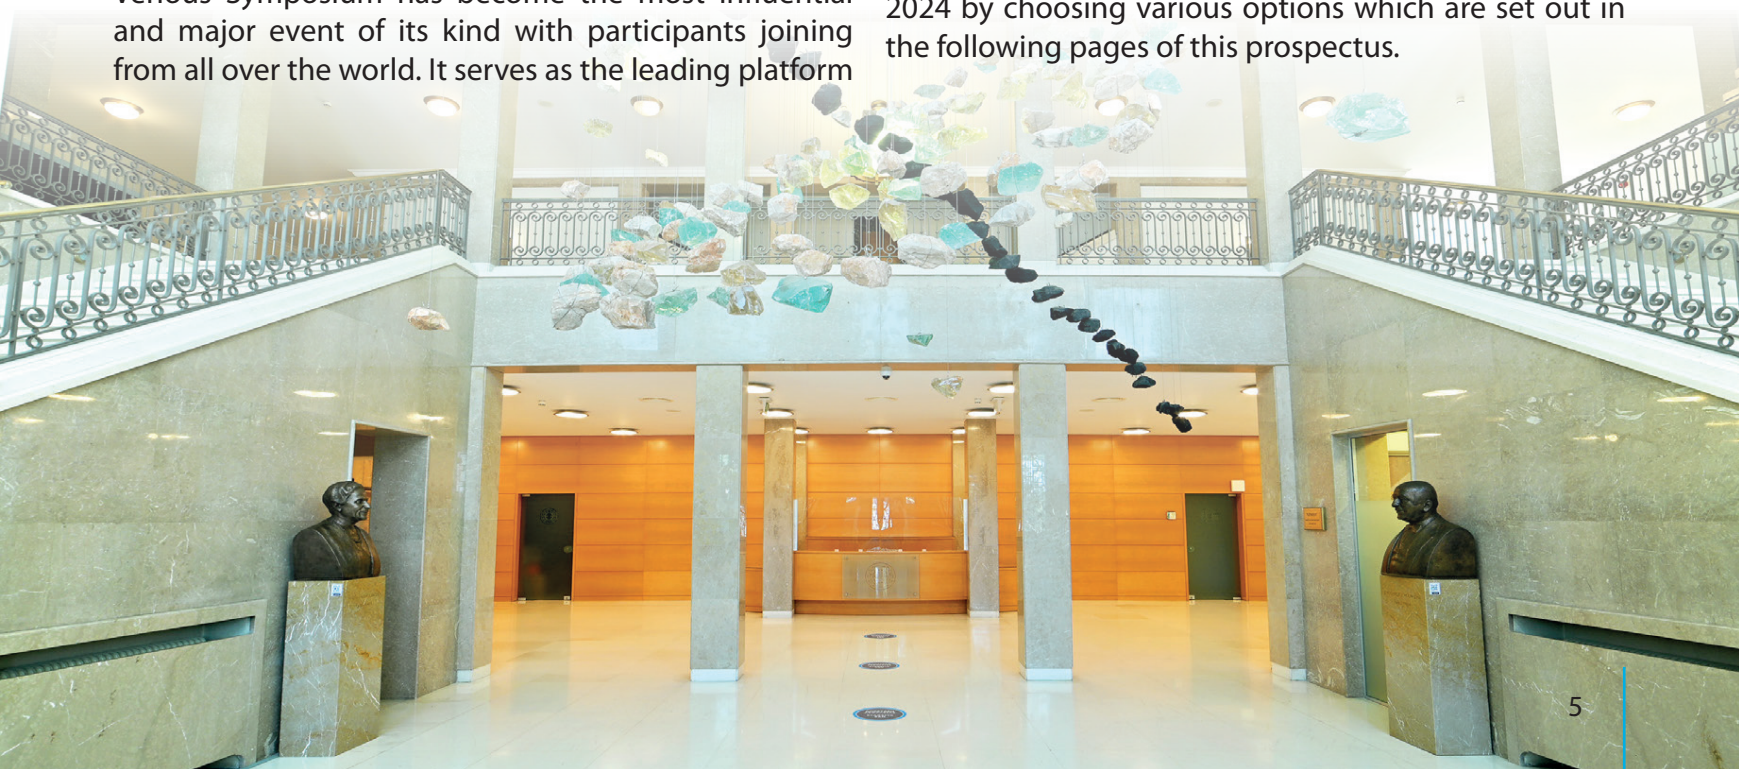

- A comprehensive sponsorship offered to showcase your brand to a quintessential market.
- The possibility of creating your own tailor-made package and reaching the level of Platinum, Gold or Silver Sponsor expanding your business and creating awareness of your brand.
- Reinforcement of your credentials as a key player in the industry.

Venous Symposium has become the most influential and major event of its kind with participants joining from all over the world. It serves as the leading platform

to exhibit best practices and science, introduce the latest trends in venous diseases, present scientific advances, offer education, and nurture networking at an international level.

This year in particular, the Venous Symposium is organised by the Europe Section of the Society for Venous Symposium and aims to facilitate the exchange on a theoretical and practical level in Europe.

VS Europe partners are invited to sponsor the VS Europe 2024 by choosing various options which are set out in the following pages of this prospectus.

SYMPOSIUM VENUE

SYMPOSIUM VENUE

Venue Eugenides Foundation

Conference Center
Hall "Auditorium"
387, Syngrou Ave. P. Faliro - Athens
Tel.: +30 210 9469600
<https://www.eef.edu.gr/>
Entrance on 11, Pentelis st. - Palaio Faliro

A Conference Centre of high standards with 60 years of experience in hosting Conferences and Events.

The Eugenides Foundation's technologically advanced Conference Centre is part of a landmark building for the area of Paleo Faliro, on Syggrou Avenue, just a few minutes from the centre of Athens. Every year it hosts more than 70 international and national conferences, making its Conference Centre a reference point and attracting important personalities of the Greek and international scientific, technical, and cultural community. Over the last 20 years it has hosted more than 1,400 international and Greek conferences and events with more than 470,000 participants.

The Foundation's Conference Centre has modern facilities for the organization of conferences and events, with a total of five halls that can accommodate from 20 to 520 people as well as comfortable exhibition foyers. Finally, one of the largest and best equipped Planetariums in the World and the new Science and Technology Centre promise your delegates a unique journey into science and space.
